## Support LGBTQ Religious Archives Network's GALA Celebration October 22, 2023

Since it was founded in 2001, the LGBTQ Religious Archives Network (LGBTQ-RAN) has carved out a unique role in preserving the history of LGBTQ+ religious movements around the world. Through its bold and creative work, LGBTQ-RAN has:

- Enabled the donation of countless collections of papers and records from LGBTQ+ religious leaders and groups to archives;
- Gathered a rich and extensive array of information about queer religious history around the world on [its website](#); and
- Furthered scholarly study and education about LGBTQ+ religious history.

LGBTQ-RAN invites your group to collaborate with us to celebrate LGBTQ-RAN's accomplishments and lay the groundwork for our ongoing mission. LGBTQ-RAN's fall GALA—with the theme of *Radical Resistance*--will feature an online gathering on Sunday, October 22<sup>nd</sup>, in which we spotlight and honor these history-makers:

- [Rabbi Denise Eger](#)
- [Bishop Yvette Flunder](#)
- [Barbara Satin](#)
- [Rev. Dr. Mel White](#)
- [J.J. Warren](#)
- [J. Mase III](#)
