Support LGBTQ Religious Archives Network's GALA Celebration October 20, 2024

Since it was founded in 2001, the LGBTQ Religious Archives Network (LGBTQ-RAN) has carved out a unique role in preserving the history of LGBTQ+ religious movements around the world. Through its bold and creative work, LGBTQ-RAN has:

- Enabled the donation of countless collections of papers and records from LGBTQ+ religious leaders and groups to archives;
- Gathered a rich and extensive array of information about queer religious history around the world on [its website](#); and
- Furthered scholarly study and education about LGBTQ+ religious history.

LGBTQ-RAN invites your group to collaborate with us to celebrate LGBTQ-RAN's accomplishments and lay the groundwork for our ongoing mission. LGBTQ-RAN's fall GALA—with the theme of *Passionate Pioneers*--will feature an online gathering on Sunday, October 20th, in which we spotlight and honor these history-makers:

- [Rabbi Allen Bennett](#)
- [Rev. Nicole Garcia](#)
- [Rev. Darlene Garner](#)
- [Rev. Dr. Carter Heyward](#)
- [Rev. Brandon Robertson](#)
- [Pride in the Pews](#)

Join with LGBTQ-RAN to recognize and honor the ground-breaking history which you have made happen along with so many other groups and leaders in recent decades.

Your group can become a **CHAMPION with a gift of \$1,000** that will allow you to:

- be listed prominently in all LGBTQ-RAN GALA materials and spotlighted at the October 20th event for this special role; and
- create and send a 30-second video clip on the theme of *Passionate Prophets* in your group's work in the past or present. Your video clip will be featured during the GALA event on October 20th.

OR Your group can become a **PARTNER with a gift of \$250** that will allow you to:

- be listed prominently in LGBTQ-RAN GALA materials and at the October 20th event.

Together we can preserve our voices and stories for future generations!
